

Sugar and Sweeteners

Design, construction, installation and modernisation of complete process stages in sugar factories and refineries; engineering, assistance, machinery and equipment:

Extraction plants, diffusers, pulp presses, fluidised-bed steam dryers, evaporators, continuous and batch crystallisation plants, continuous and batch centrifugals, sugar drying and cooling plants, pumps; equipment and services for the production of crystalline dextrose (DMH) and crystalline fructose (XF)

Biomass

Process steps for drying different products, e.g. DDGS from bioethanol production with a fluidised-bed steam dryer, air locks, expanders and fluidised-bed coolers

Automation

BMA Automation

Design and supply of drive systems, direct control systems, design and supply of C&I equipment, hardware design, software, visualisation solutions, switchgear construction, commissioning, service and maintenance

Dr Dirk Seebaum
Phone + 49-531-804 240

Regional Operations

BMA America

Sales support, engineering, and delivery of spare parts and customer services for North, Central and South America

Steven Fellenzer
Phone + 1-970-3533 770
Fax + 1-970-3533 784
assistance@bma-us.com

BMA Brazil

Responsible for sales and service, engineering and local project management

Henrique A. Degen
Phone + 55-11-3097 9328
info@bma-br.com

BMA China

Sales support, and delivery of spare parts and customer service; coordination of local equipment manufacturing for China

Ralf Sanger
Phone + 86-871-6832 5226
+ 86-871-6832 5356
Fax + 86-871-6832 6329
sales@bma-cn.com

BMA MENA Industries

Sales support, engineering and delivery of plants and spare parts; customer services and coordination of local equipment manufacturing in the Middle East and North Africa

Dr Mohsen Makina
Phone + 216-71-960 645
Fax + 216-71-960 664
info@bma-mena.com

BMA Russia

Sales support, engineering, and delivery of spare parts and customer services; coordination of local equipment manufacturing for Russia; customer assistance with imports

Zhambul Zhuasbekov
Phone + 7-473-260 6991
info@bma-ru.com

Brewer Steel

High-quality steel and tank construction for sectors such as agriculture and the food and sugar industries

Steven Fellenzer
Phone + 1-970-3533 770
Fax + 1-970-3533 784
info@brewersteel.com
